

Working in all areas of mainstream, independent and special education to help SEND professionals and their teams achieve excellence.

Trusted by over 40 education providers, why not see if **Senco Services** can help you within your setting.

May MacKay-Morris
SEND Consultant &
Business Owner at
Senco Services.

The Three Pillars of **SEND PROGRESS**

Consistency

Provide the ability to accurately measure progress within your setting.

Create a network where the wider team can support common processes.

Ensure there are documented and known best practices.

Examples:

Pupil Passports
Funding Evidence Packs
Formatted Paperwork
Standardised Interventions
Defined Processes
Timelines / Non-negotiables
Aligned SEND Expectations

Quality

Quality First Teaching+

Understand where there are exceptional skills and how to best utilise them.

Celebrate successes and learn from / adopting them.

Identifying Gaps:

Qualification / Training Needs
Process Knowledge
Experience
Resources

Raising Quality:

Providing Exemplars
Defining Expected Standards
Skills Sharing
Support & Mentoring

Collaboration

Ensure that teams know it is OK not to always have the answers and that they can ask for support.

Provide regular forums in which you share best practice, train staff, share knowledge, celebrate success.

Drive efficiency by pooling resources across your setting - EAA Assessors, Intervention specialists, Funding experts.

Streamline internal comms

Collaboration beyond just the SEND teams. Ensure every teacher is equipped to be a good teacher of SEND.
